Klauke Tools

“Click ‘n’Crimp”

Hamer Code	Supplier Code	Description
KKDK007	K007	“Click ‘n’ Crimp” Tool 5-10mm capacity

Quick interchangeable die. Storage magazine. Ratchet mechanism with locking device. Opens only after crimp is complete.

Mechanical Crimpers

Hamer Code	Supplier Code	Description
KKDK2	K2	Built-in die type 0.75 – 16mm capacity

Battery Crimping Tool

Hamer Code	Supplier Code	Description
KKP12042	EK12042	Up to 400mm capacity, crimping force 130kN, stroke length 42mm, 65 crimps per charge

Extra large opening. Pistol grip design. Built-in microprocessor controller. Patented auto 2-speed auto-retract hydraulic system. Supplied with 12V 2.6Ah Battery (RA4), 1 hr Charger 230Vac (LG4), Steel Case.

Mini-Battery Crimping Tool

Hamer Code	Supplier Code	Description
KKP425	EK425C	Tool only without head. Crimping force 45kN. Stroke length 30mm. Up to 185mm capacity. 85 crimps per charge.

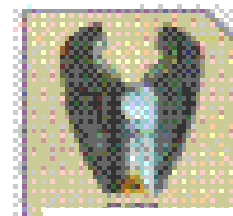

Patented auto-retract system. Less than 6 seconds per crimp. Slim in-line design. Light and versatile with 360° head rotation. Supplied with 9.6V 1.3Ah Battery (RAM1), 40 min charger 220 – 240Vac (LGM4), Plastic case.

CJ 22 Head (for use with Mini-Battery Crimping Tool)

Hamer Code	Supplier Code	Description
KKP0022	CJ22	Head accepts Klauke series 22 and Greenlee ‘K22’ dies.

Patented auto-retract system. Less than 6 seconds per crimp. Slim in-line design. Light and versatile with 360° head rotation. Supplied with 9.6V 1.3Ah Battery (RAM1), 40 min charger 220 – 240Vac (LGM4), Plastic case.

Hydraulic Crimping Tool

Hamer Code	Supplier Code	Description
KKP6022	HK6022	Up to 300mm capacity, crimping force 60kN, stroke length 17mm.

Faster and lighter for perfect crimps. Rotates 360°. Two stage hydraulic. Auto retraction when crimp is complete. Supplied with Steel Case.

Hydraulic Crimping Tool with Case

Hamer Code	Supplier Code	Description
KKP12041	HK12042	Up to 400mm capacity, crimping force 130kN, stroke length 42mm.

Ergonomic design. Aluminium body. Faster and lighter for perfect crimps. Fit most popular brand dies. Patented auto 2-speed auto-retract hydraulic system. Locking mechanism for easy transportation. Supplied with Steel Case.

Rotating Die

Hamer Code	Supplier Code	Description
KKDK05	K05AU	Rotating Die Type Crimper 6-50m ² 390mm overall length. 1.1kg

Bolt Cutter

Hamer Code	Supplier Code	Description
KKDK08	EBS8	Battery Powered bolt cutter

Head rotates 330°, Quick Stop, Automatic retrace once cut is completed, Ergonomic design for one-hand operation. Offset blade cutter. 15kN cutting force. Stroke length 8mm. Cutting capacity includes cable tray, mild steel, zinc plated, stainless steel, copper, aluminium & hardened steel. Weight with battery 1.3kg

Batteries

Hamer Code	Supplier Code	Description
KKP0004	RA4	12V battery (Ni-MH battery), 2.6Ah, weight 0.7kg

230V AC Power Adaptor

Hamer Code	Supplier Code	Description
KKP1230	NG1230	NG1-230V converts Klauke tools into dual voltage 230VAC & 12V DC tools. Heavy duty continuous usage. Built-in thermal overload protection with auto cut-off switch. 4 metre power cord. Weight 0.7kg.
