

# COAST DUAL POWER RECHARGEABLE HEAD LAMP

Shine bright and stay hands-free with the mid-size workhorse in our XPH professional headlamp series. Engineered for versatility, the four-mode XPH30R packs up to 1000 lumens on Turbo Mode for the most critical situations.

Patented PURE BEAM® technology with a TWIST FOCUS™ optic enables seamless transitions between Ultra View Flood Beam and BULLS-EYE™ Spot Beam at up to 165 meters.

This headlamp's dust-resistant and storm proof aluminum body rolls in its bracket for dynamic directional lighting—and can also detach to become a handheld flashlight with a built-in magnetic tail cap and real-time power indicator.

Featuring COAST's Rechargeable Dual Power system for versatility on the job, the headlamp runs on a COAST ZITHION-X™ rechargeable battery (charging cable included) or CR123 lithium batteries (purchased separately).

LIGHT OUTPUT (TURBO) 1000 Lumens

RUNTIME (HIGH) 7 h 45 min

RUNTIME (LOW) 41 h

RUNTIME (MEDIUM) 10 h

WEIGHT 2.7 oz / 77 g

**BATTERY LIFE INDICATOR**

Know when to power back up - with a battery-life indicator, you can always know when your battery needs to be recharged.

**PURE-BEAM FOCUSING OPTIC**

Pack two powerful beams into one and seamlessly transition - with no halos or hot spots - between short and long-range viewing.

**TURBO MODE**

The XP lights not only features standard light modes but also COAST's signature Turbo Mode for overpowered light in critical situations.

**RECHARGEABLE DUAL POWER**

Each COAST Rechargeable-Dual Power product comes with a ported ZITHION-X™ rechargeable battery or a non-ported ZITHION™ rechargeable battery.

**DUST RESISTANT**

Take on any dirty work environment with this dust resistant light.

**REFLECTIVE STRAP**

Stay visible in the dark. Some COAST headlamps feature a Reflective Strap to increase safety and ensure user visibility in low light.

**HARDHAT COMPATIBLE**

Rugged enough for the outside of the hardhat. COAST headlamps with Hardhat Compatible design include clips for attaching the light to the hat.

**STORM PROOF**

Don't worry about the weather. COAST lights that have passed the IP54-level resistance tests that are splash-resistant and built with durable materials that stand up to nature.

**HINGED BEAM**

Up, down, or straight ahead. All COAST headlamps feature a hinged, tilting head so that you can adjust the light's direction and see where you are looking.

**TWIST FOCUS**

Dial in the shape of light you need for the situation. COAST's TWIST FOCUS™ system makes it easy to move between spot and flood beams by rotating the head of the flashlight.

**MAGNETIC TAIL CAP**

Attach the light to magnetic surfaces. COAST lights with a Magnetised Tail Cap have an integrated magnet.

**PRO-TEK CHARGING**

Charge directly from AC, DC, and USB. Flashlights and headlamps with COAST PRO-TEK Charging include a direct-connect port for powering back up.
