

HAMER

TOOLS CATALOGUE 2024

Affordable Quality

Tools so good we put our name on them...

OUR STORY

...84 YEARS OF HISTORY

Hamer has a long history of trust within the New Zealand electrical industry. The company itself has evolved over the past 84 years but one thing is constant, our commitment to delivering quality products to our customers.

For the past 40 years, we have been supplying the market with some of the best tools available, so it's safe to say we know quality when we see it.

Hamer's reputation for supplying quality products

now extends to our own branded range, which includes a full complement of tools used every day on sites around New Zealand.

Our range also features accessories such as bags, tape measures, and spare blades and will continue to grow in the future.

“These tools are so good that we put our name on them”

Harry Hamer
- Founder

UNIVERSAL PLIERS

- Hamer pliers are designed to perform day after day
- Available in 1000V insulated protection on selected models
- High-leverage design with hot-riveted joint ensures smooth and easy use
- Made from durable high-quality forged steel

PART #	DESCRIPTION	WEIGHT	SIZE (INCH)	HANDLE TYPE
PU-8	Universal nose, crimp die, toothed pipe grip	0.30kg	8.5"	Control Grip
PUINS-8	Universal nose, crimp die, toothed pipe grip	0.35kg	8.5"	1000v Insulated
PUMG-8	Universal nose, crimp die, toothed pipe grip	0.35kg	8.5"	Moulded Grip
PUCCMG-8	Universal nose, crimp die, cross cut blades	N/A	8"	Moulded Grip

LONG NOSE, PUMP & TERMINATING PLIERS

- Durable, high quality forged steel
- Terminating plier includes 2 crimpers & 5 cable size strippers
- Long nose plier with cutter & grip jaw
- Pump plier has 7 adjustable positions

PART #	DESCRIPTION	SIZE (INCH)	HANDLE TYPE
PUTERM-8	Universal nose, cable termination jaws	8	Moulded Grip
PLN-8	Standard long nose, crimp die	7	Control Grip
PP-10	Adjustable 6 position hinge, curved jaw	10	Control Grip

SIDE CUTTING PLIERS

- High quality forged steel
- Ideal for cutting electrical cable
- High leverage hinges
- 5" versions for data & electrical cables
- 8" for standard electrical cables

PART #	DESCRIPTION	SIZE (INCH)	HANDLE TYPE
CFL-5	Lightweight flush cutter with spring handle, flush cutting blades	5	Control Grip
PSC-5	Diagonal side cutter, tapered nose with spring handle	5	Control Grip
PSC-8	Diagonal side cutter, tapered nose	8	Control Grip
PSCA-8	Diagonal cutter, tapered nose with angled head	8	Control Grip
PSC-81K	Side cutting 1000V	8	1000v Insulated
PSCA-81K	Side angled cutting 1000V	8	1000v Insulated
